BOOK FAIR

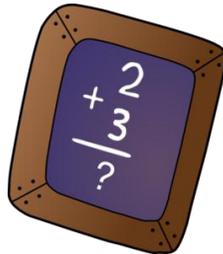

A big thank you to all parents for supporting our Book Fair. We took an amazing £530 which Scholastic allow the school to take the same amount of books for the school. This has enabled us to restock our Class libraries and all classes have new 'Group Reading' books for the children to enjoy.

New Drama After School Club

Mrs Crosbie will be running taster sessions for after school drama. The sessions were oversubscribed so have been divided by age group. If you applied, your child will have been allocated two sessions and a note sent home.

Parent Workshop - Maths

Come along and see how we teach maths across the school and learn how you can help support your child at home. The school will be hosting a parent workshop on Tuesday 10th February in the school hall at 7pm. All parents are welcome. We will be demonstrating the different strategies used to teach maths across the age groups and the websites that the children can access at home to help support them. This session is aimed specifically at parents as the children have already been shown these strategies in school.

Film Club

FOSS are running another film club this Thursday after school. The films for this session are the Lego Movie and The Lion King. The cost of £3.50 includes popcorn, ice cream and a drink.

FOOTBALL TASTER SESSIONS

Somerset Soccer Schools are offering FREE SOCCER TASTER SESSIONS for boys and girls from Reception right up to Yr 4. They are starting a new Tuesday course [3.50pm, under lights] at Churchill [nr A38 lights]. Both include a specially tailored Reception, Yr 1 + 2 beginner course. Players are grouped according to age and ability and all receive an engraved trophy upon course completion. For full venue, referrals and other details visit www.somersetsoccerschools.com or text/call 07538187792

School Lunches

The first week back after half term is the beginning of the next three week rolling menu. If your child is happy with the choices they have had you do not need to do anything, these choices will be carried forward. If you wish to change you can either collect another form from the school office or order via our website (password smeals2014). Can you check with your child that they like the choices they have selected. Some meals are more popular than others (cauliflower cheese **does not** seem popular with most of the children). We will try and feedback to Fairlands Kitchen any meals where there is a lot of waste, although the caterer, Edwards and Ward, have the same menu throughout their schools in Somerset so it would be difficult to make changes to the menu.
