HEAD LICE

There have been several reported cases of head lice in school. Please check your children's hair and treat if necessary. Advice on how to treat head lice can be found on :

www.nhs.uk/Conditions/Head-lice/Pages/Treatment.aspx

SPARES/SECOND HAND SCHOOL UNIFORM

Please can you hold onto any suitable uniform or pass to Valerie Cocks (Natasha Buro's Mum), in readiness for our July fete. There are a number of new families coming into the school in September, and we have been asked to set up a stall. Many thanks.

Somerset Skills & Learning

New for 2015, Somerset Skills & Learning (SS&L) are challenging you to challenge yourself. You could decide to develop your hobby at one of their leisure classes or finally get around to doing something you have always fancied trying. You could challenge yourself to get into shape and enrol on a fitness class – perfect if you don't fancy the commitment of a gym membership. You could improve your employability by enrolling on one of our qualification courses or you could brush up on your English and maths skills for yourself or to enable you to help your children with their homework. It doesn't matter which challenge you set yourself, as long as it is something that will bring you happiness and fulfilment.

For more information on the courses available and to enrol on these courses, please call 0330 332 7997 or visit www.learnsomerset.co.uk/coursefinder

SUNHATS/SUNGLASSES/SUNCREAM

As the weather improves we endeavour to use our outside space more frequently. Could you ensure your children have sunhats, and sunglasses (if required). Could you also apply suncream before they come to school.

HELP NEEDED

We are looking to increase our PE provision during the lunchtimes. We are especially looking to offer cricket/rounders during the summer term. If you are able to help, or know of someone who is able (maybe a student who is looking for some casual work before the summer holidays) please see Mrs Macleod in the school office.
