Acceptable Use Policy for Internet

The internet offers both educational and social opportunities for our children. Whilst recognising the benefits we must also establish appropriate, effective and safe use of the Internet. The rules which pupils are expected to know and to follow are set out below.

- ✓ I will only use ICT in school for school purposes.
- ✓ I will only use my class email address or my own school email address when emailing.
- ✓ I will only open email attachments from people I know, or who my teacher has approved.
- ✓ I will not tell other people my ICT passwords.
- ✓ I will only open/delete my own files.
- ✓ I will make sure that all ICT contact with other children and adults is responsible, polite and sensible.
- ✓ I will not deliberately look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this I will tell my teacher immediately.
- ✓ I will not give out my own details such as my name, phone number or home address. I will not arrange to meet someone unless this is part of a school project approved by my teacher and a responsible adult comes with me.
- ✓ I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe
- ✓ I will support the school approach to online safety and not deliberately upload or add any images, video, sounds or text that could upset any member of the school community
- ✓ I know that my use of ICT can be checked and that my parent/ carer contacted if a member of school staff is concerned about my eSafety.

SHIPHAM CHURCH OF ENGLAND FIRST SCHOOL
ACCEPTABLE USE OF THE INTERNET

AGREEMENT: 2015

Dear Parent/ Carer

ICT (Information and Communication Technology), including the internet, email. Learning platforms and mobile technologies, etc, has become an important part of learning at school. We expect all children to be safe and responsible when using any ICT. Filters are in place and children are closely supervised when they are using the internet. We also teach them about possible risks and how to keep themselves safe. It is important that they understand the rules set out in the policy.

Please read and discuss these eSafety rules with your child and return the slip at the bottom of this page. If you have any concerns or would like some explanation please contact Mrs Gwynn.

There is more information about e-safety on: <http://www.thinkuknow.co.uk> and <http://www.childnet.com/>
